

# MAKE A MOVIE

## win a Mac

This event has been proudly sponsored by Apple Computer Division, Renaissance Ltd

**MovieFest 2003** is an event to encourage the movie makers of New Zealand, and to promote and showcase the talent New Zealand has to offer. We aim to promote the use of digital video editing tools such as Apple iMovie, Apple Final Cut Pro and Apple Final Cut Express and to promote the use of computers for digital video editing.

### APPLE COMPUTERS AND DIGITAL VIDEO EDITING SOFTWARE TO BE WON

Short movies between three and five minutes **based on a subject that will be provided to entrants** will be judged by a panel of high profile New Zealand judges.

**Ten Finalists** will be showcased in Te Papa's Soundings Theatre during the Digital Solutions Expo on the 27th September 2003. An Awards Ceremony including a **Peoples Choice Award** of the Apple video editing software **Apple Final Cut Express**, for the movie chosen from votes collected during the public viewing sessions, will conclude the daylong festival. An **Apple eMac Computer\*** will be presented to the winner in each of the following categories:

- Schools:** Entrants must be attending a primary, intermediate or secondary school.  
**Hobbyist:** Must not be employed in the video or movie industry.

Guidelines and a special online forum along with links to many resources are available on our web site. If you have an idea that you want to share or would like to find a bunch or people to make a movie with, then **grab a camera and go for it!**
